

Year 3 / 4 Home Learning

Please find enclosed a range of suggested activities that children can complete during their time at home. We are incredibly lucky to have access to some great online resources which we highly recommend children access, if possible.

Children will have passwords for the accounts inside their reading records.

Mathletics:

Teachers will be setting tasks for children to complete on Mathletics. Once completed, results from these tasks are sent directly to teachers who can set further challenges.

Spellodrome:

Spellodrome focusses on spelling using a range of fun games and activities. Please use Mathletics passwords to log in to this.

Oxford Owl:

Oxford Owl has a range of online e-books, which children can read from home.

Accelerated Reader:

Children can continue to complete reading quizzes for any books that they have read. Many of the e-books on Oxford Owl are also available for quizzes on Accelerated Reader.

Other Useful websites:

<https://www.timestables.co.uk/> - A range of times table games

<https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar> - A range of grammar games

<https://classroommagazines.scholastic.com/support/learnathome/grades-3-5.html> - Online lessons for each say with videos, ebooks and games

Y3/4 Home Learning

<p style="text-align: center;"><u>Story Starter</u></p> <p>Choose one of the sentences below and use it to start your own story. Think about what will happen in the beginning, the middle and the end.</p> <p style="color: red;">Icy fingers gripped my arm in the darkness.</p> <p style="color: blue;">Wandering through the graveyard it felt like something was watching me.</p> <p style="color: orange;">Peeking through the window her surprise turned to horror...</p> <p style="color: green;">It was the day the moon fell.</p>	<p style="text-align: center;"><u>Chinese Dragons</u></p> <p>Chinese dragons are legendary creatures in Chinese mythology. Can you make one? You could use card, paper, boxes - it's entirely up to you!</p> 	<p style="text-align: center;"><u>Food Glorious Food!</u></p> <p>Why not make some traditional Chinese cuisine? You could try sweet and sour chicken, spring rolls or a healthy stir fry? Try this website for some inspiration.</p> <p>http://kidscooking.about.com/od/dinnerrecipes/tp/Chinese-Food-For-Kids.htm</p> <p>Can you write a recipe to tell someone else how to make the dish? Remember to include ingredients, equipment and a method.</p>	<p style="text-align: center;"><u>Times Table Tasks</u></p> <p style="color: green;">Set a timer - how quick can you write each of your times tables?</p> <p style="color: red;">Create posters for each times table.</p> <p style="color: orange;">Write each sum for a times table on a piece of paper and the answer on another piece. Can you match the questions to the answers?</p> <p style="color: blue;">Give yourself a timestable quiz. Can you get 25/25?</p> <p>https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check</p>
<p style="text-align: center;"><u>Super Spelling</u></p> <p>All of the compulsory Y3/4 spelling words are inside your reading record.</p> <p style="color: blue;">Create a rainbow poster with the words.</p> <p style="color: orange;">Write a nonsense story including as many of the words as possible.</p> <p style="color: green;">How many of the words can you write in 1 minute. Then try again. Can you beat your score?</p>	<p style="text-align: center;"><u>Fascinating Facts!</u></p> <p>Find out as much as you can about China. Make a fact file - this could be a poster, a booklet or an information leaflet. Have a go at making one on the computer if you can!</p> 	<p style="text-align: center;"><u>Become the host!</u></p> <p>Using all of the information you know about China, why not create your very own board game or quiz? Remember to include the answers as well as the questions to show how much you know!</p> 	<p style="text-align: center;"><u>Materials Investigation</u></p> <p>Which materials are used most often for items in your house? Look at all your furniture and think about the materials it is made from (wood, plastic, metal, paper etc).</p> <ol style="list-style-type: none"> 1. Make a tally chart to show which is the most popular material. 2. Use your tally chart to make a bar graph. 3. Can you write some questions for someone to answer about your graph?
<p style="text-align: center;"><u>How many sums can you think of which equal 250?</u></p> <p>Write all of your sums on squared paper. Try to use + - x ÷</p>	<p style="text-align: center;"><u>Adverb A-Z</u></p> <p>Can you think of an adverb for every letter of the alphabet?</p>	<p style="text-align: center;"><u>What's The Time?</u></p> <p>Keep a time diary of everything you do through 1 day. Can you give each time in analogue, 12 hour digital & 24 hour digital?</p>	<p style="text-align: center;"><u>Spot It!</u></p> <p>Take any book, newspaper or magazine. How many conjunctions can you find on one page?</p>
