

Y5/6 Spring Term Home Learning Tasks- The Animal Kingdom

This term we are learning all about animals in our topic entitled '**The Animal Kingdom**'. Please complete these tasks at home to be submitted when we return to school. You should also have an accelerated reading link and if you run out of books you can access Oxford Reading Tree online.:

www.oxfordowl.co.uk

(see logins on the back of this sheet).

<p><u>Mathletics</u></p> <p>Use the enclosed mathletics password to complete as many tests as you can.</p> <p>Try to learn your times tables right up to 12 x 12.</p> <p>These sites could help:</p> <p>https://www.topmarks.co.uk/math-s-games/hit-the-button</p> <p>https://www.timestables.com/</p>	<p><u>Where in the world?</u></p>  <p>Find out about any animals that are endangered. Create a map to show where these animals can be located. You could print a map and draw on it or, if you're feeling creative, make a 3D map and even make some animals to put on it!</p>	<p><u>Proud of our Pets!</u></p> <p>If you have any pets at home, take some photographs of them (with you too of course!) and bring them in to show us. You could even make an information booklet to tell us more about the types of pets you have and what they are like.</p> 	<p><u>Invent an Animal</u></p> <p>Create your own animal and write a non-chronological report. Try to include:</p> <ul style="list-style-type: none">• Their classification group and how you know• What they look like• Where they live and how they are adapted to that habitat• Their diet
<p><u>SATs online</u></p> <p>For year 6's approaching their SATs, these websites contain tests that could be used to practise:</p> <p>https://www.cgpbooks.co.uk/resources/ks2-sats-online-10-minute-tests</p> <p>https://www.twinkl.co.uk/resource/t2-e-1638-year-6-reading-assessment</p>	<p><u>Animal data</u></p> <p>Collect data about our local animal population and create your own graph. You could collect information about different classifications or choose a particular species like birds.</p> <p>This website could help:</p> <p>https://www.rspb.org.uk/get-involved/activities/birdwatch/</p>	<p><u>Origami</u></p> <p>How many animals can you make using the traditional Japanese paper art of origami?</p>  <p>http://www.origami-fun.com/origami-animals.html</p> <p>http://en.origami-club.com/</p> 	<p><u>Poetry</u></p> <p>How many different animals can you think of? Create an A-Z poem describing each one. Try and think about similes, metaphors and personification too as well as a range of exciting adjectives!</p>
