

## Nursery and Two-Year-Old Provision -Summer 1 Week 5

### Topic: Down On The Farm

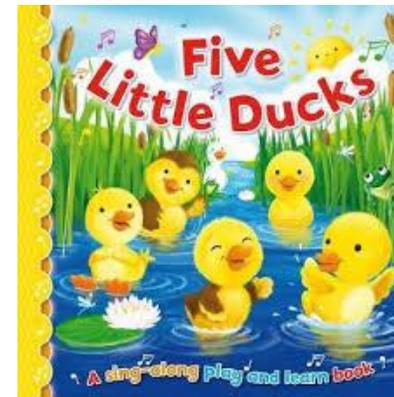

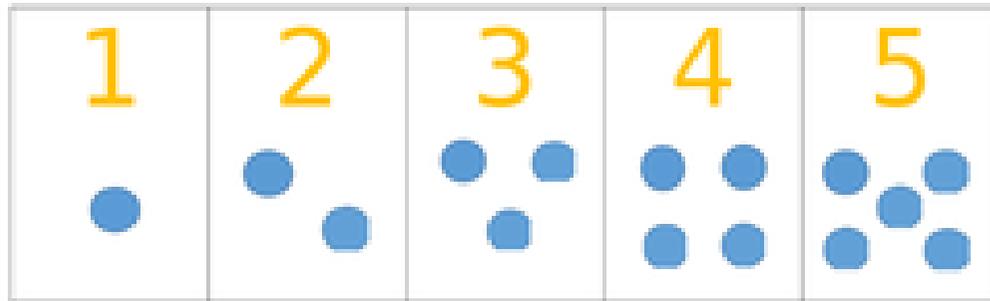

### Song of the week: 5 Little Ducks

Please continue to read and share stories as much as you can. For the next week we will be learning the song 5 Little ducks and completing some fun activities. We would love to see some videos of your child singing along to this song. Grown-ups don't be afraid to join in!

You can access the rhyme following the link below:  
<https://www.youtube.com/watch?v=pZw9veQ76fo>

Please continue to update us on your child's learning via 'Evidence Me'. We really enjoy seeing your pictures.

#### Creative

Can you make your own duck puppets? Do not forget you will need a mammy/daddy Duck and then 5 Little ducklings. Once you have created your puppets you can use them as props when singing. Hope you have lots of fun!

#### Fun Maths

All you will need is drawings of ducks and some spare pegs! First, you and your grown up need to draw Five little ducks. Once you have drawn your ducks, you then need to put spots on them, just like in the photo. So, one duck will have 1 spot, the second duck will have 2 spots etc. Can you then ask your child to count the spots 1:1? Can your child peg the correct number of pegs to the duck? So, on the duck with three spots can your child peg 3 pegs? You can also, put a number on the peg and your child must match the number to the correct number of spots. This is great for 2YO and Nursery, and fab fine motor skills. Them pegs can be tricky to squeeze.

Using plain paper, can you put the numbers 1-5 on them? Ask your child to go to a certain number, you can roll a dice to help. Once your child has found that number can they hop 3 times? Jump 5 times? etc

Thank you for your continued support! We look forward to hearing from you!  
Mrs Jordan and Mrs Bell
