Please continue to read and share stories as much as you can. We hope you have enjoyed singing nursery rhymes; it is our favourite part of the day at nursery. This week we will focus on Baa Baa Black Sheep. Below is a list of some lovely crafts your can complete this week! We hope you have lots of fun!

Please continue to update us on your child's learning via 'Evidence Me'. We really enjoy seeing your pictures.

Baa Baa Black Sheep Name Activity

Name Writing/Circles and lines Control

This is a very simple but fun activity to do using simply pegs, pom poms and paint. If your child can write their own name can they write it first? Then using the pegged pom poms can they go over each letter? If your child is in the early stages of name writing, then you could write it for them, and they can use the pom poms to print over. 2YO can you use the pom poms to print around the circles and lines? Don't forget to take some photos!

Creative

Can you design and make your own Sheep? Below are some pictures to give you some ideas. Pinterest also, has some fab ideas! Let's get crafty!

Can you write or draw pictures of other animals that live on a farm? Do you know what their babies are called?

Do you have your own Farm figures at home? Can you set up your own farm scene? What noises do the animals make?

Baa, baa, black sheep,
Have you any wool?
Yes sir, yes sir,
Three bags full.

One for my master,
One for my dame,
And one for the little boy
Who lives down the lane.

Preposition!

Using blocks, Duplo or Lego can you build a bridge? Can you use farm animals and put them under? On top? Next to? Behind? In front? If you don't have any farm animals, you can simply use anything for this activity e.g Cars.
