

## Reception-Summer 2 Week 6

### Story of the week: Peace At Last

Please continue to read and share stories as much as you can. For the next week we will be learning the story what the ladybird heard and completing some fun activities. We would love to see some videos of your child retelling the story.

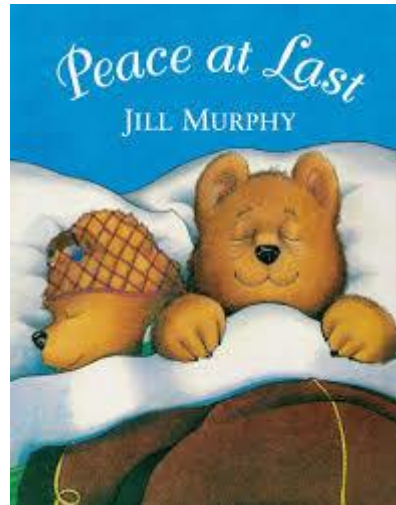

You can access the story following the link below:

<https://www.youtube.com/watch?v=9U9y35kWBvM>

Please continue to update us on your child's learning via 'Evidence Me'. We really enjoy seeing your pictures.

#### Fun Maths

Can you make your own number cards to 20 and order them. You could make your own game out of your cards you have made. Choose 2 of the cards and add them together. You can use different objects or a number line to help you. Choose another 2 cards and take them away, again using objects or a number line to help you. How many number sentences can you do?

#### Creative

Can you make your own music or sounds?  
Junk model your own musical instrument to make some music!

Draw a picture or junk model your bedroom where you sleep.

Write a list of all the sounds you heard. Which was your favourite sound? Write a sentence about your favourite sound. You could write a story about where you went on your walk and the different sounds you heard.

Can you walk around your house and listen out for the different sounds? Write down the sounds that you have heard in your house. What different sounds can you hear on your walk? Write down the sounds you can hear - what is your favourite sound?

Thank you for your continued support! We look forward to hearing from you!  
Mrs Howard and Miss Dale
