

Year 3 / 4 Home Learning Summer 5

Please find enclosed a range of suggested activities that children can complete during their time at home. We are incredibly lucky to have access to some great online resources which we highly recommend children access, if possible.

Children will have passwords for the accounts inside their reading records.

Mathletics:

Teachers will be setting tasks for children to complete on Mathletics. Once completed, results from these tasks are sent directly to teachers who can set further challenges.
