Drawing and Writing

So after the Three Little Pigs had got rid of the Big Bad Wolf, they enjoyed living together in the brick house. However, after a while they decided it was too small for all of them and they needed to build a new house. Draw a picture of a new house that all the Three Little Pigs Could Live in. Nursery children don't forget to write your name on your work, and if you can write a little bit about your house and why you think it will be good for all of them.

SHAPES

Maths - Shapes

Can you go on a shape hunt around the home? What shapes have you found? Can draw/trace around simple shapes. Can you use these shapes to make a model/house? Can you categorise your objects/shapes, i.e put all the circles in one pile. You could also make it super sensory by adding shapes to some shaving foam, can you draw the shapes in the foam? Your grown up go draw some simple shapes and you could try and copy them.
