

## Reception - Summer 2 Week 2

Topic : Down At The Farm

Story of the week : The Three Little Pigs

Please continue to read and share stories as much as you can. For the next week we will be learning the story about the three little pigs and completing some fun activities. We would love to see some videos of your child retelling the story. You can access the story following the link below:

<https://www.youtube.com/watch?v=oanczCDuSrK>

Please continue to update us on your child's learning via 'Evidence Me'.

We really enjoy seeing your pictures.

### Fun Maths

Why don't you make some three little pig dominoes.

Can you create your own number bonds to 10 recording them as an addition and

subtraction? E.g  $6 + 4 = 10$   $12 - 2 = 10$

Count the pigs altogether on your dominoes. What is the highest number you can count to?

You can also count the pigs and double or halve the amount of pigs.

### Creative

Can you make your own animal pigs? Once you have created your three little pigs you can use them as props when retelling the story. Create the three houses using paper, cardboard and sticks and grass from your garden.

Can you create your own miniature farm? You can be as imaginative as you want. You can use farm animals you have or draw your own amazing animals. Does your farm have a duck pond? Does it have horses?

Let's have a shape hunt.  
Go out into the garden or for a walk and see what shapes you can see around you.

Thank you for your continued support! We look forward to hearing from you!  
Mrs Howard and Miss Dale

## Competition...

Here is a little something extra to link with  
our book of the week  
'The Three Little Pigs'

Can you build the big  
bad wolf's house made  
from sticks, straw  
and bricks?

Take a photo of  
your creations and  
see if you can huff  
and puff the houses  
down! How many  
puffs will it take  
you?
