Year 5/6 Home Learning Tasks – Week 12

Read Theory

Challenge yourself to complete reading quizzes on www.readtheory.org

Who in the year group can earn the most points in a week? We'll publish the highest score on our next home learning task sheet.

To log in, your username is the first 3 letters of your first name and last name and the year group number which you are in. The password is Lakes1234.

For example, if you were in Year 5 and your name is Abigail Smith, your login details would be:	For example, if you were in Year 6 and your name is Abigail Smith, your login details would be:
Username: AbiSmi5	Username: AbiSmi6
Password: Lakes1234	Password: Lakes1234

Year 5/6 Competition

As the Tokyo Olympics have been postponed for this year. We would like you to research about the medals that the athletes are given when they win a race. Especially thinking about what they will be made of as this year the medals would have been from all recyclable materials. Could you design a new bronze, silver and gold medal?
