Reading

Can you take on the challenge of reading a whole book in just one week? Once you have read your book, don't forget to log on to Accelerated Reading and take the quiz!

Write a short book review of the book that you have read. Would you recommend it to others? Who is the book most suitable for?

Science

We would like you to make your own assault course to help you prepare for the Olympics. We would like you to record your heart rate before and then again after you have completed your assault course. Then wait two minutes from finishing the course and see if it has gone back to the first result taken.

Geography

The last 5 Olympics have been in the following countries:-

Japan - 2016

United Kingdom - 2012

China - 2008

Greece - 2004

United States - 2000

Look on a map and find out where the countries are?

Then you could also find out the capital city too.
