

Nursery and Two-Year-Old Provision -Summer 2 Week 4

Topic: Traditional Tales/Nursery Rhymes

Story of the week: Three Little Pigs

Please continue to read and share stories as much as you can. We will continue with the story: **The Three Little Pigs**. This will be your third week on the story, so you should know this well. Below is a list of new activities.

If you do not have a copy of the book you could use youtube-
<https://www.youtube.com/watch?v=jpEBv1GFte4>

Please continue to update us on your child's learning via 'Evidence Me'. We really enjoy seeing your pictures.

Bottle Bowling Pigs

Have you got spare plastic bottles at home? If so then we have an easy activity for you to do, and it will be lots of fun for all the family. Below is a list of materials you will need, and what you will need to do.

Initial Sound/Walk

A sound walk is a great way to get your child to discriminate between the different sounds in our environment. You can do a sound walk inside or outside the home.

Can you count how many pigs you knocked down? Who knocked more down? Less down? Can you count them as you line them up?

If your child can orally segment and blend words. I have a great activity for you to do. Feed the monster. Why not make a monster that has an opening for its mouth, then create pictures of objects that your child can recognise. This activity is great for helping your child/ren to break down the words eg c a r, c a t. Children will enjoy feeding the monster as they post the cards in his mouth. If your child is not at this level, then you can do this by drawing single letters on paper and encouraging your child to recognise them. (Please don't worry this does not have to be a monster, you can decorate an old shoe box for this too)

Thank you for your continued support! We look forward to hearing from you!
Mrs Jordan and Mrs Bell

Bottle Bowling Pigs

Areas of Learning
Creative Development
Physical Development
Mathematical Development

You will need

- 10 Plastic bottles
- Funnel
- Play sand or dried rice
- Pink and black paint
- Craft glue/PVA glue

What you do

Wash out the plastic bottles and let them dry completely.

Using a funnel pour about 3 inches of sand or dried rice into each bottle to weigh the bowling pin down.

Put some glue onto the top of the bottles and screw the lids back on. Leave them to dry until the bottles are glued shut.

Mix some PVA glue with the pink paint and paint the bottles. When the paint is completely dry add facial features.

Set the pigs out and start bowling. Use a beanbag ball.

Three Little Pigs Song

Tune: 5 little ducks went swimming one day.

Three little pigs left home one day, waved to mum and went their way.
"Let's build a house where we can stay, we'll build our own in a different way"

The first little pig met a man with straw, he built his house with a roof and a floor.
he moved in quickly and he shut the door, he swept the straw from his new floor.

The second little pig met a man with sticks, he built his house but he used no bricks.
"I'll be in that house in two little ticks, I think that sticks are much better than bricks!"

Making Own Instruments

I have attached a song for you and your child to learn.
Can you make your own instruments to use? You can use your own instruments if you have some too. Can you sing the song in a loud voice? Quiet? Slowly? Fast? Can you tap out a beat? Your grown up can make one for you to copy.

Sing the song to the tune of '5 Little Ducks'.

If you really are enjoying this activity, why don't you make a band with your siblings/grown-ups? Choose your own band name and make your own songs up.

Don't forget there are other nursery rhymes you can sing too:

- Twinkle Twinkle
- Wheels on the bus
- Miss Polly had a Dolly
- Incy Wincy

And many more.
