Please continue to update us on your child's learning via 'Evidence Me'. We really enjoy seeing your pictures.

#### Writing a sorry letter from Goldilocks

After reading the story can you talk about how the three bears might have felt? Was baby bear happy or sad? Why? Encourage your child/ren to talk about how they might of felt and why. How would you feel? You could also, talk about 'Stranger Safety' and that we do not talk to strangers. When may it be ok to speak to someone we don't know? Talk about 'Manners' are we allowed to take something without asking? Can you go into someone's home without their permission?

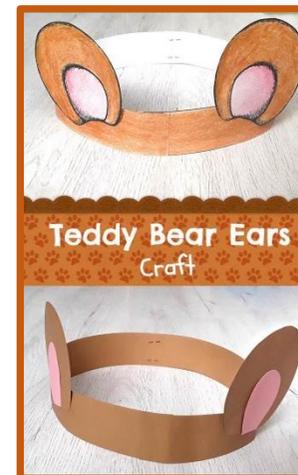

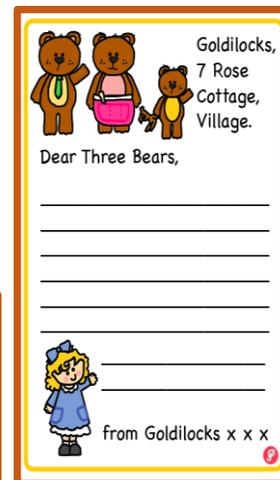

Taking all this into consideration, now let's write a letter to the three bears to say sorry. Don't worry if you struggle with this, you can tell your grown up what to say. Practice copying letters/words from your grown up. 2YO can you draw the three bears a happy picture? Something to make them smile. 😊

#### Creative

Let's get creative and make our own Bear headband. This is very simple, you just need paper, glue and pens. You can make one for your grown-ups too. How many have you made? Who is who? What have you used?

#### Maths

Ordering by size. Can you order your toys/teddy bears by size? Which one is the biggest? Which one is the smallest? Can you use language of size in your play?

Thank you for your continued support! We look forward to hearing from you!
