Next Year ...

Create your own targets for next year by finishing the sentences below:

- This year I have really enjoyed ...
- One thing I am really pleased with this year is ...
- Next year I'm looking forward to ...
- Next year I would like to get better at ...
- One of my proudest moments this year has been ...
- When I get older, I would like to be ...

Create a Dictionary

It's always hard to remember what everything means after a holiday. Can you create a dictionary to help you remember what these SPaG terms mean? Remember to put them in alphabetical order and give a definition of what they mean.

You could also give an example.

Prefix, suffix, root word, clause, apostrophe, contraction, conjunction, adjective, verb, noun, question marks, inverted commas, preposition, pronoun, collective noun adverb, homophone & synonym

Art

Jackson Pollock was a famous expressionist artist for his 'messy' art. Sometimes, he physically threw the paint around. Can you create your own Jackson Pollock piece?

You could use pencils, paint, computers or pastels.

To the Future!

Look at this setting picture of the future. Can you describe it? Think about your prepositional openers to describe with as much detail as possible.

Spelling

All of the compulsory Y3/4 spellings are inside your reading record.

BUMPER QUIZ!

Get an adult to test you on your words. Which words do you still need to learn? Make these your targets for over the summer or next year.

Maths - A day of TV!

Plan a full timetable for your dream day of TV. Think about which shows you would watch, what time they start, how long it will last and then what time it will finish.

Times tables - Times tables are CRUCIAL in KS2. Please keep learning them. By the end of Year 4 you are expected to know all tables up to 12 x.

Year 3/4 Summer 2 Week 6

Please find enclosed a range of suggested activities that children can complete during their time at home. We are incredibly lucky to have access to some great online resources which we highly recommend children access, if possible. Children will have passwords for the accounts inside their reading records.

Mathletics:

Teachers will be setting tasks for children to complete on Mathletics. Once completed, results from these tasks are sent directly to teachers who can set further challenges.
