

22 May 2024

Dear Parents & Carers,

Thank you for your support and patience during school photographs on Monday. Hopefully you have all received your child's photo proof and we hope you are happy with them.

All orders need to be made directly with Tempest online. A unique code can be found under each image for you to view the photograph online to decide if you wish to order. The order window for free delivery back to school is normally open for around 2 weeks after the first order is placed. Orders can be placed after this date but will incur a late fee/postage fee so to avoid this I would recommend that orders are placed by the end of May.

Our Year 6 children will all be receiving a free autograph book, which has been given to us complimentary for moving over to Tempest. All the Y6 pupils had an individual photograph taken in preparation for this. For those Year 6 children who were absent there will be an opportunity to be included when the photographer returns to school. If you do NOT want your child to be included in the autograph book please contact the school office.

The photographer will be returning on the morning only of **Thursday 6th June** to also photograph our Reception and Year 6 year groups as a memento of the first and last year in full time education here at Lakes Primary school, as well as photographing any absentees or retakes. Absentees will automatically be photographed, however if you require a retake for your child or do not want them to be a part of the Reception or Year 6 group photographs please contact the school office by Wednesday 5th June. If any afternoon nursery children require a retake or were absent they are welcome to come in at 8:30am to have their photograph taken, they will still only be able to attend their usual pm nursery session.

Many thanks

Katy Wilson
