October Newsletter

Dear Parents/Carers,

Autumn is most definitely upon us. With the lovely colours also comes the colder weather so please make sure your child has their coat at school and wellies for our OPAL play.

I have included some additional diary dates for November and the next newsletter will have all of the Christmas production dates so watch this space...

We have our Hallowe'en disco coming up on Thurs 23rd October, poster with additional details will be sent via Arbor.

We are also beginning to think about our Christmas Fair which will be on Friday 5th December. If you are interested in a Craft table, know any local businesses who can support or could even offer a bit of time to help, please ring the school office – we'd welcome your support.

Thank you to those who have donated dry food for the local foodbank. It will all go to those in most need.

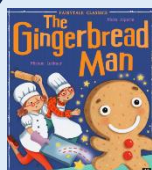

Warm wishes

Mrs H Ede

Please remember wellies for our OPAL play
