January Newsletter

Dear Parents/Carers,

A very happy new year to all our families. I hope you had a good festive break and spent time with those closest to you. It has been a delight to welcome our children back to school – they make the dark mornings worthwhile!

Included in this newsletter are Spring dates to give you as much notice as possible for events upcoming.

Appeal – if you have any spare wellies that your children have grown out of, any toys that you are decluttering after the festive period, please consider donating them to school – our OPAL play would benefit from them.

Attached to this newsletter is our communication flowchart to help us support your queries as swiftly as possibly.

As always, thank you for your continued support.

Warm wishes

Mrs H Ede

Polite reminder

Please ensure e-scooters are dismantled as you enter the playground for Health & Safety reasons.

Uniform

Please ensure your child wears correct school uniform (PE kit – no hoodies, football tops) and brings coats to school, it's too chilly without! We seem to have some pupils currently wearing large earrings, smart watches and acrylic nails, for health and safety reasons may we remind that strictly only stud earrings should be worn, bracelets, necklaces and acrylic nails are not permitted.

Reminders will be issued for non-uniform and unsafe items.

25-26 PD DAYS

1st September

24th October

1st June

20th July

21st July
