

30.1.26

Dear Parents/Carers,

We have recently connected with a local company named Fairshare to look at how we can help reduce the amount of waste from supermarkets whilst at the same time helping our school community.

With this in mind we have set up **'Lakes Local'**.

This is a free community pantry that you can come along to and see if there is anything you can use at home to stock up the cupboards and in turn you are helping us to reduce waste. It is in its infancy at the moment but as the weeks go we are hoping that this will grow into a well-stocked, well-used community pantry.

Lakes Local will be open from 8.45-9am each morning in the KS1 building starting from next week. No need to make an appointment, just drop in and see what's there as we will hope to have new items weekly.

Yours Sincerely,

Mrs Ede & Mrs Jordan
